

ASCA servo screw with special adaptations

Do you need different mechanical interfaces or special performance characteristics?

We shall be pleased to check their feasibility. Send us your drawing or let's talk about your ideas. We will produce a proposal without commitment for you for a specially designed or adapted version.

Consultancy service

Because there are many design options for an ASCA servo screw, we generally recommend a discussion for preliminary clarification as early as possible. The potential of the ASCA servo screw can then be utilized to the full.

We look forward to your call to arrange a meeting at your facility. Tel.: +49 (0)7021 9469-50
